

19. WHAT IS SOLD NEVER REMAINS OLD

- ❖ You will never have a redundant stock problem again.

- ❖ Your stock will always be fresh with our 100% buy back guarantee for slow moving stock (some conditions apply)
- ❖ Our buyers are in Asia and Europe usually four to six times per year to ensure we keep pace with new developments and at the same time overseeing production at our suppliers plants around the world
- ❖ We have 45,000 sq. metres of space in our distribution centres with 10 million worth of moving stock. Thus stock availability is rarely an issue.
