

7. LESS ADMIN ROUTINE – MORE BOTTOM LINE RESULTS

- ❖ Supply Chain Systems and Procedures that provide a high level of Customer Service.
- ❖ Exclusive client-relationship program that tracks every customer and prospective job.
- ❖ You will have access to a monthly report of the Top 200 Domestic Builders by State, which acts as a lead-list for our on-site sales representatives.
- ❖ We cut down your Marketing Administrative hours so you can focus on converting leads to increase sales.
- ❖ Our estimating software package is exclusive to National Tiles. This computerized state-of-the-art estimation / design is specifically pitched at the Domestic Building Industry. This software is used on a daily bases by our current Major Domestic Builder Accounts – Metricon, Simonds, Porter Davis (to name a few).
- ❖ Contracts from larger builders channelled to your store.
- ❖ National Tiles supply around 10,000 homes per year to Major Domestic Builders and this figure continues to grow.
- ❖ Some of the largest home builders in Victoria and Queensland work with us. If any of their homes are built in your region, they will go through your store as per our Franchise Agreement.
