

WELCOME TO THE TRADE CLUB LOYALTY PROGRAM

"The introduction of this program is our way of recognising and acknowledging the hard work, dedication, loyalty and professionalism of tradespeople in the building industry.

As a professional tradesman, running a business can sometimes be difficult. Being rewarded for all your hard work and effort can be easily overlooked. At NATIONAL TILES, we appreciate and hold your business in high regard.

This catalogue showcases the products on offer this year and the points required to receive them. ALSO remember for every 10,000 points (Metro) or 5,000 points (Regional) you earn you will go into the major end of the year draw to win one of 3 fabulous prizes indicated below. Good Luck..."
