

The 4 most common ways to lay tiles are:

BRICKBOND

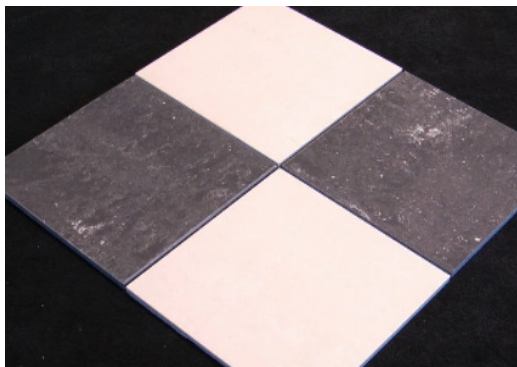

National Tiles recommend to order 10% more for wastage and cuts.

STACKED OR STRAIGHT LAY

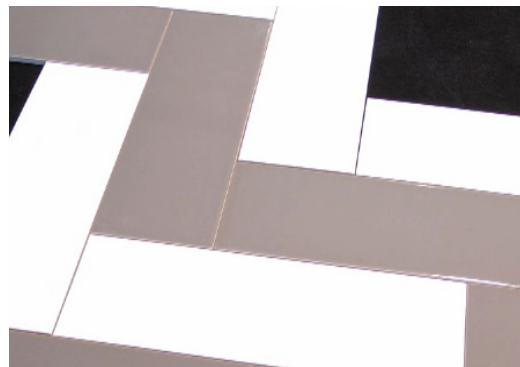

National Tiles recommend to order 10% more for wastage and cuts.

DIAMOND LAY

If you are laying a diamond pattern we at National Tiles suggest you order 15% more tiles to cater for wastage and cuts.

HERRINGBONE

National Tiles recommend to order 10% more for wastage and cuts.

Note: If you're watching our DIY video, note our new bathroom where we straight laid / stacked the tiles on both the floors and walls.
